D.T.E. 04-114, Cambridge Electric Light Company and Commonwealth
Electric Company – 2004 Reconciliation Filing

Dear Hearing Officer Collins:

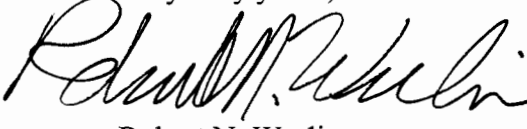

Enclosed please find the following settlement exhibits that include confidential information in the above-referenced proceeding:

- Exhibit CAM-CLV-1 (Settlement) **CONFIDENTIAL**
- Exhibit COM-CLV-1 (Settlement) **CONFIDENTIAL**

The documents contain financial and price-forecast data that are proprietary and confidential. A Motion for Protective Treatment with respect to these data has been filed with the 2004 Reconciliation Filing, which was granted by order dated August 24, 2005. Accordingly, NSTAR Electric requests that the Department of Telecommunications and Energy protect the documents from public disclosure, pursuant to the terms of the order granting the Motion for Protective Treatment. Because these documents contain confidential information, copies of these documents are being filed only with the Hearing Officer, under seal, and with the Attorney General.
